Registration opens/ed on February 29th and will run through and close at midnight on Sunday, March 24th, so class rosters and attendance sheets may be developed. Registration will reopen onsite at FUMC on April 4th.

Classes are held at First United Methodist Church of Union County located on Hwy 515 across from Meeks Park, adjacent to North Georgia Technical College. There is plenty of parking available.

The catalog shows class #, name, instructor name and telephone, class limit, and room number. "O" classrooms are on the main floor in the original east building. "L" classes are in the lower level of the original east building, accessible by stairs or Golf Cart. For Saturday classes, please check the lower level on the west end of the building if you do not see any activity upstairs.

Registration Fee is \$ 25.00 per person, per session, even if you take more than one class or workshop. If you are **absolutely unable** to register online, please call Janice at 706-897-3378 to discuss registration options.

Lunch is offered for those who choose and is always a highlight. The charge for each lunch is \$ 5.00 and the opportunity to reserve your lunch for any given week is provided. So that you know what to expect, the complete session lunch menu is provided at the end of this class listing. Bon Appetit! Spring Session will find lunch moved to the fellowship hall, located in the east wing of the building. Lunch is from 11:30 – 12:30.

Class limits have been pre-set in the online Course Catalog order form and the number of available slots remaining for each class is tracked and appears next to the course name. Conversely, if you complete your registration, you will immediately know, via confirmation email, that you are accepted into a class. **No longer will you have to wait for a phone call regarding your acceptance into any particular class.**

For those of you who are concerned about your personal and financial data, please rest assured that none of your credit/debit card information will be saved locally. The secure payment gateway is the only place that your information will be used, and you are in control of the data input. The rest of your contact information will be held in a Constant Contact OASIS database, and under no circumstances will your information be shared or sold without your express permission.

FREE OR FEE? For your convenience, and for the convenience of some instructors so that they have all of their supply funds before the class starts, we have included some of the various supply fees in the registration process. Other classes, because of the variability of the projects offered, have various fees, and are charged on the first day of class. You will see in each explanation if the charge is pre-paid or due on the first day of class, or both.

In the event of inclement weather, it is possible that the church will close, and OASIS classes will be cancelled. Generally speaking, if Union County Schools close, so does the church. We will try to notify you by Constant Contact Email if classes are cancelled. You may also check the local TV channel for information or tap into the [Union County Schools Facebook page](#).

All of this information will also reside on the First United Methodist Church of Blairsville website, so you have perpetual access to the information. Visit www.firstmethodistblairsville.com/oasis.
